Dear Club Owner / Manager

Unique Displays, Inc. is proud to offer you an Informational Center for your club's to use ABSOLUTELY FREE OF CHARGE.

Our display systems are made of the highest quality materials, strong attractive solid oak and Plexiglas enclosures for everyone's safety. The center section of the unit will be composed of your choice of directory style board, i.e. plug-in letter, cork vinyl covered cork, erasable calendar for scheduling of tournaments, pro shop sales, men's and women's club activities / special events, etc... We will also provide you with all the letter, numbers, marketers and erasers at no charge so that you can post all of your pertinent information to your members and clientele in one centralized location, simply and efficiently.

The message centers are available in a variety of shapes and sizes to facilitate the space you have available, and to ensure that the Information Center lends harmoniously with the given environment.

We offer this at absolutely on the cost to your club for the right of placing several local advertisers on each side of the Center. In addition, the club will have complete approval as to who will be allowed to advertise prior to the advertising being sold. We obviously will not have any ads competing with the direct operation of your club.

We at ***Unique Displays, Inc.*** provide these message centers across the United States at select golf and country clubs, health and fitness centers, athletic clubs as well as Chamber of Commerce.

We appreciate your consideration of our offer and urge you to take advantage of it while we are in your area.

Please feel free to write or call if you have any questions or allow our representative to answer them in person. We look forward to serving you.
